Read the following steps to learn more ...

Accessing Student Results

Load the class and choose the student.

1. Tick the box beside the student and click the **View Work** button.
2. All currently assigned work will be displayed along with the date they were assigned.
3. **Reading Time** – records the overall time spent in the story and activities.
4. **Activities** – times are recorded for each story and activity as they are completed.
5. **Recording** – the speaker icon indicates a recording has been saved.
6. Select reading levels from the drop-down list.
